For example, those with fish egg allergies should be aware that some fish are procured while carrying baby fish.

Also, more students with pollen allergies have also been developing new allergies to certain fruits that can trigger similar reactions.

We encourage you to talk with your child about school lunches, and if you have any concerns about specific ingredients, please consult your doctor.

If any updates or concerns arise, **don't hesitate to contact the school nurse or our nutritionist.**

Don't forget to prepare ♪

All children have to wear a mask during lunch preparation.
 This is not just for hygienic reasons, but also to prevent infection.
Please prepare a new mask together with a cleaned lunch mat every day.
Please keep 2 to 3 extra masks in your child's randoseru or backpack as extras.
Thank you for your understanding.

School Lunch Fees ♪

School lunch fees are paid for by Minato City.
Although there is no cost to families, in an effort to decrease food waste, we ask that those who plan to be absent for an extended period notify the school of the length of the absence via an absence form. This will allow us to adjust the amount of food ordered and prepared. Please be sure to notify us of any changes in the length of your absence.
